

The NeuroActive Bike

Train Smarter. Literally.

**THE WORLD'S FIRST
BRAIN + BODY WORKOUT:**

A hit at gyms in Canada and France,
the *NeuroActive Bike* now arrives in America!

GET THE BENEFITS OF TWO POWERFUL WORKOUTS IN ONE.

✓ **Save time.**

Combine your cardio and brain workouts in one time-saving, brain-and body-pumping session. You'll be amazed how fast time flies!

✓ **Save money.**

More and more gyms around the world are offering their members the chance to train smarter on the world's first brain and body fitness equipment, at no extra charge!

✓ **Be healthy.**

You hit the gym and eat right, and you're looking great. So long as you're pedaling away on that recumbent bike, why not sharpen the old gray matter too? Get your brain in top shape with 22 fun, mind-sharpening exercises that leave Sudoku in the dust!
